To Whom It May Concern:

I have been working with William Wong Esq. since 2003 and am pleased to say, thanks to Mr. Wong, our business has been able to prosper with his help.

Mr. Wong quickly handles paperwork and court filings and follows up with us on progress. I highly recommend William Wong Esq. if you are looking for a lawyer who is accurate, quick, honest and a fun person to work with. We feel blessed in our business to have become a working partner with William Wong, Esq.

Sincerely,
